CASH (Carl Anders Sven Hultin)

1988年、スウェーデンのストックホルムでジンバブ工人として生まれた。現在彼の生まれた場所とブリュッセル、ベルギーの間に拠点を置く。

"CASH"とは、彼のフルネーム "Carl Anders Sven Hultin"の頭字語。 子供の頃から、常に絵を描いて、独学の芸術家として活動。 夢を追いかけてそして彼の仕事を見せるために専門的に始めたのは2009年から。

肖像画家としてその瞬間をとらえ、色の広いパレットでそれらを表現し始める。 常に世界を旅しながら、彼のスタイルは何度も進化し、彼の複数の遺産の影響を強く受ける。

彼の作品は、紙、カートン、キャンバス、壁、織物、皮革など、あるメディアから別のメディアへと成長し、観察というよりはむしろ詩的で個人的な彼の想像の作品に発展した。 彼の日々の考えのさまざまなシナリオで、キャラクター (自分自身に非常に似た形で)を表現しています。

Born in 1988 in Stockholm, Sweden as a Zimbabwean. *Carl* is now based in between his birth place and Brussels, Belgium.

He signs his work "CASH" as it is the acronym of his full name "Carl Anders Sven Hultin". Since childhood he has always been drawing, painting, creating as self taught artist. It is only in 2009, that he follows his dreams and starts professionally to show his work.

He began as a portrait artist capturing the moment and representing them with a wide palet of colors. Always on the run, traveling the world, his style has evolved multiple times and is very impacted by his multiple heritages.

You can see his work grow from one medium to an other such as: paper, carton, canvas, walls, textile, leather, ... and evolved to some more poetic and personal work of his imagination rather than observation. Representing characters (looking quite like himself) in many different scenarios of the everyday thoughts of his reflection.
